

## **Honoris United Universities. Education for Impact™.**

Honoris United Universities is the first private pan-African higher education network committed to preparing and educating the next generation of African leaders and professionals able to impact regionally in a globalized world. Collaborative intelligence, cultural agility and mobile mindsets and skills are at the heart of Honoris' vision of higher education.

Honoris United Universities joins the expertise of its member institutions to create pan-regional profile graduates that are competitive in today's fast-paced and demanding labor markets.

Honoris United Universities gathers a community of 27,000 students on 48 campuses, learning centers or online, in 9 countries and 30 cities across Africa. More than 100 degrees are offered in the fields of Health Science, Engineering, IT, Business, Law, Architecture, Arts and Design, Media, Education and Political Science.
